

MOVING VAN SIZING GUIDE

Effortless Moves with Man and Van Bromley

Selecting the right van size ensures your relocation is efficient and stress-free. Use this guide from **Man and Van Bromley** to plan your move with confidence.

Van Sizes Explained

1. Small Van (200 cubic feet)

Ideal For:

- Studio flats or light loads.
- Boxes, light furniture, and electronics

What can fit:

- 10-12 boxes, a TV stand, or a small desk.
- Ideal for small local moves or single-item transport.

Moving Tip: Pack fragile items carefully with padding.

2. Medium Van (400-600 cubic feet)

Ideal For:

- One-bedroom flats or small offices.
- Furniture and essential appliances

What can fit:

- 25 boxes, a sofa, or a small wardrobe.
- Perfect for slightly larger moves, covering a full room of furniture and household goods.

Moving Tip: Distribute weight evenly to protect your items during transit.

3. Luton Van (600-800 cubic feet)

Ideal For:

- Two-bedroom homes or medium office moves.
- Bulky furniture and appliances

What can fit:

- 50+ boxes, furniture, and large appliances.
- Ideal for moving larger households or relocating multiple rooms.

Moving Tip: Disassemble bulky furniture for better space management.

4. Large Luton Van (1,000-1,200 cubic feet)

Ideal For:

- Full-house moves or large office relocations.
- Oversized furniture and bulky items

What can fit:

- 70+ boxes, wardrobes, king-sized beds, and large equipment.
- Best for large household or commercial moves requiring maximum space.

Moving Tip: Secure items with straps to prevent shifting during transit.
